OH BABY

A 3 year long road...

Relevance of I-KNOW-HOW

Your
cancer has
been
defeated!

Now you still
have to tackle
the stigma in
your work
environment..

LECTRR

What is missing?

Information is limited & fragmented

Lack of procedures and poor flexibility in working regimes

Job coaches are unfamiliar with needs of people with cancer

I-KNOW-HOW solutions

Online interactive service tool

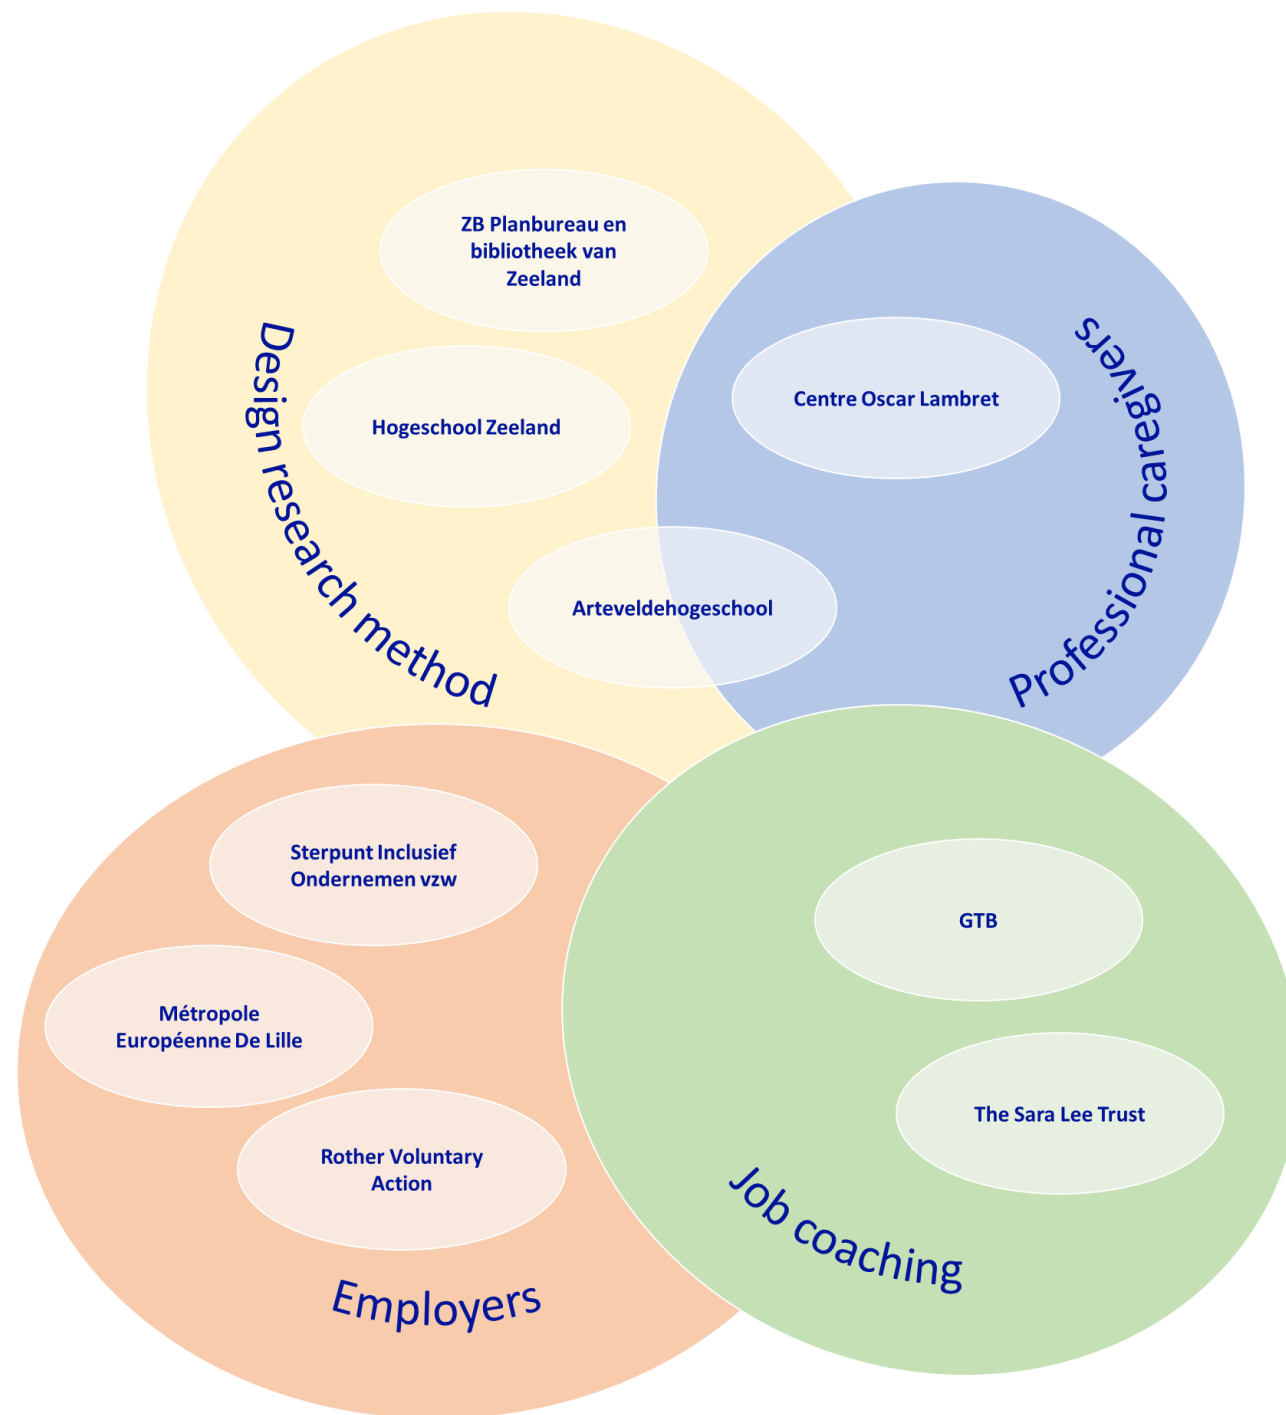

Optimized model of job
coaching for employees with
cancer

Toolbox for employers

Unique project
